4.1. Red Bull MotoGP Rookies Cup Paddock Passes

The tickets for each rider will be ready for pick-up **at the accreditation centre** upon arrival. They will be in an envelope with the rider's name on it.

The rider's envelope contains the following passes:

- 2 one-event passes for the rider's accompanying persons.
- Additional one-event passes. **Only for riders who have informed the Organisation in advance.** Each rider has 5 extra passes for the whole season.
- 1 car parking pass which grants access to the Paddock P2 Parking Area.
- 1 parking pass for the motorhome parking area of the Rookies Cup Paddock. **Only for riders who have informed the Organisation about their arrival by motorhome in advance.**

After you picked up your passes, please proceed to the Paddock for registration.

4.2. Motorhomes

Only Motorhomes equipped with a paddock parking pass will be granted access to the Paddock Area. All cars need to be left in the Paddock P2 parking area, which will be indicated by signs and marshals.

Upon arrival to the Rookies Cup Paddock, please go first to the Rookies Cup Office located in the technical area because the Organisation has to tell you where to park your vehicle. Once your motorhome has been parked, you are not permitted to make any in-and-out movements until Sunday afternoon. Please note that due to lack of space it is not possible to have any side-tent attached to your motorhome.

As we want to give a professional image make sure to park your motorhomes neatly and to keep them clean on the outside.

6. Catering

The riders and their accompanying persons holding a Rookies Cup paddock pass have access to the Red Bull MotoGP Rookies Cup Energy Station. Full service catering (breakfast, lunch and dinner) will be provided free of charge to all paddock pass holders.

7. Team Clothing

To create a professional image, the riders have to wear team clothing during all days of the race weekend.
